Once you cancel your registration, your car/truck cannot be driven on any public way in the Commonwealth of Massachusetts. When your registration is canceled, the RMV will provide you with a registration cancellation receipt.

Once your registration is canceled, you must recycle or destroy your license plates. Plates can be cut in half and discarded; or you can recycle **destroyed** plates if your town accepts them at the local recycle center.

Important Information for Excise

You may be eligible for an abatement of your local motor vehicle excise if you cancelled this registration because you also:

- Moved out of Massachusetts.
- Reported the vehicle stolen
- No longer own the vehicle

For your local assessors' office to process your abatement application you must provide documentation of these and any other actions required by state law. If you have any questions, please contact your local assessor.
