ergotron®

moving you forward

Neo-Flex® All-In-One Lift Stand

- Transport a workstation anywhere easily and quickly
- Deploy multiple complete computer systems with ease
- Pick up systems using the integrated handle and lock them up at night
- Open architecture design allows users to attach a variety of systems
- Mix & match CPU box and monitor from different vendors
- Update the display or CPU without disturbing full system
- Compact design and small footprint keeps workspace manageable—great for computer labs
- Easy to use—simple installation and effortless operation

THE PORTABLE STAND THAT WORKS THE WAY YOU DO

Constant Force™

Add ergonomic adjustability and portability while saving space with this unique all-in-one stand. The perfect accessory for space-constrained areas, it enables you to mount both a CPU and display while providing effortless height adjustment of the monitor.
